SUBJECT: **ANNUAL REVIEW CLASS REQUIREMENTS**

As many of you know, the Annual Review Class (ARC) will not be available until March 1, 2009. Although it is in draft form, we want to allow sufficient time for review and comment by EMS providers and base hospitals. As a result, the following schedule and ARC requirements will apply:

ARC Release Schedule:

- January, 2009 Review by system participants
- February, 2009 Train the Trainer courses
- March 1, 2009 ARC classes offered region wide

Individuals Whose Accreditation or Certification Expires Between January 1, 2009 through March 31, 2009:

ICEMA will reaccredit or recertify this group of individuals based upon the following provisions:

- All other requirements for reaccreditation or recertification have been satisfied as outlined in References 15301 and 15401.
- The individual signs an acknowledgement form affirming he/she will complete the ARC prior to April 30, 2009.

At a minimum, ICEMA will conduct two (2) ARC classes during March and two (2) ARC classes during April. Questions may be directed to Sherri Shimshy, R.N., or Sherry Hansen at 909-388-5823
